Here's
the resource
consumption
report.

It's probably just
a common error.

Maybe just a
little less often.

As
a good wife,
I can't neglect
simplicity and
frugality

It's never a
good idea to waste
resources, victory is
complete.

I.

I'd
say that I'm
trying to
be a good
mother

Eh?
Aren't we
a little
short?

**YOU
CLEARLY
CARE.**

I always
eat
hardly
after
work.

I don't
care
about
anything
like that.

I-I's
definitely not
because of my
weight or because
I ate too much
or anything

At this time,
we should prob-
ably take a
step back for
now.

In my
defense
it's a shiny
gun in
Japanese,
too.
Superiorly
"Yaku" and
"Yaku" sound
the same

That
Yamato's
blushin'?

Is it
because of
the Yamato
inn

Really,
now!
It's
not my
fault!

What a
beautiful
red leaf.

SHE
DIDN'T
TAKE IT
WELL.
HUH.

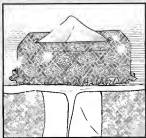

Help us
prepare
a room.

Miss
Ooyodo

Ofuton

Yamato?

Let's
prepare
the beds.

Adventer!

That.
I
That.

You
don't have
to force
yourself.

Sorry

I
haven't
mentally
prepared
myself

Well...
Still...

I-It's
not that
I hate it...

but it's not
like I'm really
interested in
it, either...

I JUST...

I'm
going to
douse the
lamp.

Yamato

I
have a
little wish,
could you
hear me
out?

?

Admiral...

That'd
be bad.
I gotta work
hard tomorrow
as secretary,
you know.

I'm
worried
we won't
fall asleep
from ex-
citement.

I can
smell
the
admiral

It's
not like
that.

My
shower game's
pretty on point.
is there still a
smell?

?

Let's
say I'm
happy to
soak up
your
flavor.

let's
sleep.

Don't
be silly

Limits?

Even
if it's me,
I can only
hold myself
back so
much.
I'm already
at my
limit.

I'll
remember
that.

When
that time
comes,
feel free
to find
me.

Fin

Admiral?

To be
blessed
with such
fortunate
life

Does
it suit
me?

How
do you
feel about
the married
life?

It
was
to

marry
you,
Yamato.

That's
too
sneaky.

Really,
I don't
know what
I was
thinking.

do
you have
a new
dream?

Then

When
you men-
tion it,
yeah.

A new
dream,
huh?

I hope
you'll
still be
by my
side.

In 20
years,

*enjoy
watching
the moon
together,
just like
this.*

*In
that time
I want to,*

*when
you're
a little
older,*

The
moon
tonight

is
so very
beatitul.

Even
if I died at
this moment,
I would have
no regrets.

*Let me
stay at
your side
forever.*

Nevermind
20 years
later

If
you're not
here 20
years from
now on,
I'm going
to be all
fidgety.

But
really,
how
irrita-
ting.

If you're okay
with *dama*
without regrets,
I better prepare
a wedding.

Really!
You're
taking
this too
seriously.

Gladly.
